The Women in Mining WA Mentoring Program

Are you interested in being mentored by some of the most inspirational women around town? Would you like to build your professional networks? How about receive individual support, advice and guidance from a female mentor that lives and breathes the same industry as you?

The WIMWA Mentoring Program is the first of its kind in Australia, and has been tailored to suit women in the mining and resource sector. The aim of the WIMWA Mentoring Program is to support professional WIMWA mentees through career guidance and direction by sharing mentor/mentee experiences, developing career goals and forging exceptional mentoring relationships.

Our mentor database holds some of the most influential WA female leaders in our industry with a wealth of knowledge. As a WIMWA mentee, you could have exclusive exposure to some of the following mentors:

**Alison Morley – CEO
Brumby Resources**

With a background in underground mining, team management and independent reporting, Alison has extensive mentoring experience and a desire to see women succeed in the mining and resource sector.

**Sabina Shugg – Manager (Mining)
Momentum Partners**

Sabina is the Founder of WIMWA and was the 2010 CME Women in Resources Champion. As a mining engineer, she has held senior roles with some of Australia's largest mining companies. Sabina is an outstanding role model to people in the resources industry and the broader community.

**Lynn Olssen – Principal Consultant
Snowden Mining**

As a mine geologist, resource geologist and successful technical mentor, Lynn has worked on most hard rock commodities in various FIFO and city based positions. Now based in Perth, Lynn invests considerable time in developing young geologists.
